DYNAREAD
SPECIAL EDUCATION CORPORATION

Dear Teacher:

Your participation may help equip you to change the course of life of many a struggling reader.

Our passion is to obliterate adolescent illiteracy. Nobody can do that by themselves. I hope you will join our course and join our cause.

Hans J.A. Dekkers, Founder/CEO Dynaread

About the Course

The course is build around a guided process of self-study in three carefully selected eBooks. The materials represent a perfect blend of practical experience insights in Learning Disabilities related to Reading, updating you on key scientific understanding pertaining Reading and Dyslexia, and equipping you to better relate to each of your struggling students.
